## THE LEADING FORCE IN RENEWABLE ENERGY INSURANCE

PERse provides innovative insurance solutions for the challenges facing today's Renewable Energy sector.

We deliver the benefit of our experience to retail and wholesale commercial insurance brokers and their clients (project developers, owners, equipment manufacturers and providers, landlords, contractors and lenders), to meet the growing demand for ESG (Environmental, Social, and Governance) compliant insurance products.

Our mission is to deliver stable and exceptional customer service, innovative solutions, and a superior level of insurance coverage built through uncompromising integrity, quality, and experience.

Our offering includes coverage for all phases of an energy project's exposure. Our underwriters offer tailored, highly-flexible insurance solutions for the entire life cycle of an energy project in one place – from early development/early works and cargo, through construction, and into operations.

### INDUSTRIES SERVED

PERse offers All Risk and Natural Catastrophe for the following renewable energy industries.

- Onshore Wind
